

Registered Mar. 9, 1937

Trade-Mark 343,860

UNITED STATES PATENT OFFICE

Ralph L. Garnier, Los Angeles, Calif.

Act of February 20, 1905

Application July 9, 1936, Serial No. 380,831

The trade-mark is the word "Metgar" written in a highly stylized, cursive script. The letters are interconnected, with a prominent, sweeping 'M' and a long, trailing 'g'. The overall appearance is that of a handwritten signature or a decorative brand name.

STATEMENT

To the Commissioner of Patents:

Ralph L. Garnier, a citizen of the United States of America, residing at Los Angeles, California, and doing business at 407 East Pico Street, Los Angeles, California, has adopted and used the trade-mark shown in the accompanying drawing, for BLANK PRINTING PLATES, in Class 14, Metals and metal castings and forgings, and presents herewith five specimens showing the trade-mark as actually used by applicant upon the

goods, and requests that the same be registered in the United States Patent Office in accordance with the act of February 20, 1905. The trade-mark has been continuously used and applied to said goods in applicant's business since March 1, 1936. The trade-mark is applied or affixed to the goods, or to the packages containing the same, by placing thereon a rubber stamp imprint on which the trade-mark is shown.

RALPH L. GARNIER.

UNITED STATES PATENT OFFICE

The American Steel and Wire Company of New Jersey, Cleveland, Ohio, Chicago, Ill., Pittsburgh, Pa., New York, N. Y., Worcester, Mass., and Hoboken, N. J.

Act of March 19, 1920

Application October 27, 1931, Serial No. 320,486

STATEMENT

To all whom it may concern:

Be it known that The American Steel and Wire Company of New Jersey, a corporation duly organized under the laws of the State of New Jersey and located and doing business at Rockefeller Building, Cleveland, Ohio; No. 208 South La Salle Street, Chicago, Illinois; Frick Building, Pittsburgh, Pennsylvania; No. 350 Fifth Avenue, New York city, New York; Worcester, Massachusetts, and Hoboken, New Jersey; has adopted for its use the trade-mark shown in the accompanying drawing, for WIRE—NAMELY, FLORIST WIRE,—in Class 14, Metals and metal castings and forgings.

The trade-mark has been in bona fide use by

the applicant for not less than one year in interstate commerce and has been continuously used in the business of said corporation since January 10, 1931.

The trade-mark is applied or affixed to the goods by tying, pasting or otherwise attaching printed labels on the goods and on packages containing the goods and/or by stamping, printing or otherwise applying the trade-mark directly to the goods.

Affidavit under Section 15 received, Mar. 25, 1953.

UNITED STATES PATENT OFFICE

Worthington Pump and Machinery Corporation,
Harrison, N. J., assignor to The Worthington
Pump and Machinery Corporation, a corpora-
tion of Delaware

Act of February 20, 1905

Application July 11, 1936, Serial No. 380,938

WORTHITE

STATEMENT

To the Commissioner of Patents:

Worthington Pump and Machinery Corporation, a corporation duly organized under the laws of the State of Virginia and having a principal place of business at Harrison, New Jersey, has adopted and used the trade-mark shown in the accompanying drawing, for FERROUS METAL IN PIGS, METAL CASTINGS, AND FORGINGS, IN THE ROUGH, SEMI-FINISHED, AND FINISHED, in Class 14, Metals and metal castings and forgings, and presents herewith five (5) specimens showing the trade-mark as actually used by applicant upon the goods and requests that the same be registered in the United States Patent Office in accordance with the act of 1905 as amended. The trade-mark has been continuously used and applied to said goods in applicant's business since

March 20, 1936. The trade-mark is applied or affixed to the goods, or to the packages containing the same, by placing thereon a metal label or name plate on which the trade-mark is shown.

And applicant hereby appoints Rohe Meyer, 717 Kinney Building, 790 Broad Street, Newark, New Jersey, register 3,392, its attorney, with full power of substitution and revocation, to prosecute the application before the United States Patent Office, to make alterations and amendments therein, to receive certificate of registration and to prosecute all business in the United States Patent Office connected therewith.

UNITED STATES PATENT OFFICE

Bethlehem Steel Company, Bethlehem, Pa.

Act of February 20, 1905

Application January 16, 1937, Serial No. 387,853

STATEMENT

To the Commissioner of Patents:

Bethlehem Steel Company, a corporation duly organized under the laws of the Commonwealth of Pennsylvania and located at Bethlehem, Pennsylvania, and doing business at 701 East Third Street, Bethlehem, Pennsylvania, has adopted and used the trade-mark shown in the accompanying drawing, for WIRE, BILLETS, BLOOMS, ROUGH TURNED AND FINISHED FORGINGS, CASTINGS, PLATES, SHEETS, FROGS, SWITCHES, ALL MADE OF FERROUS METAL, AND STRIP STEEL, TIN PLATE, TOOL STEEL, in Class 14, Metals and metal castings and forgings, and presents herewith five (5) specimens showing the trade-mark as actually used by applicant upon the goods, and requests that the same be registered in the United States Patent Office in accordance with the act of February 20, 1905. The trade-mark has been continuously used and applied to said goods in applicant's business since July, 1931. The trade-mark is applied or affixed to the goods, or to the packages containing the same, by placing thereon a print-

ed label on which the trade-mark is shown, or by stenciling or stamping the trade-mark upon the goods.

No claim is made to the word "Steel" apart from the mark as shown.

Applicant is the owner of the following United States trade-mark registrations: Nos. 151,430 of February 7, 1922 and 155,383 of May 30, 1922, both effected under the ten year proviso of the act of Feb. 20, 1905, and Nos. 157,003 of July 25, 1922 and 264,198 of November 19, 1929.

The undersigned hereby appoints R. S. A. Dougherty, whose postal address is % Bethlehem Steel Company, Bethlehem, Pennsylvania, its attorney, to prosecute this application for registration, with full powers of substitution and revocation, and to make alterations and amendments therein, to receive the certificate, and to transact all business in the Patent Office connected therewith.

Iowa

Act of February 20, 1905

Application March 16, 1937, Serial No. 390,125

MIDWEST

STATEMENT

To the Commissioner of Patents:

Midwest Metal Stamping Company, a corporation duly organized under the laws of the State of Iowa and having its principal place of business at Kellogg, Jasper County, Iowa, has adopted and used the trade-mark shown in the accompanying drawing, for MISCELLANEOUS METAL STAMPINGS, in Class 14, Metals and metal castings and forgings, and presents herewith five specimens showing the trade-mark as actually used by applicant upon the goods, and requests that the trade-mark be registered in the United State Patent Office in accordance with the act of February 20, 1905.

The trade-mark has been continuously used and applied to said goods in applicant's business since about 1926.

The said trade-mark is usually applied or affixed to the goods by stamping it directly there-

on, or applying to the goods or containers a printed tag, label or ticket, on which the trade-mark is shown.

The undersigned hereby appoints as its attorneys, William P. Bair and Will Freeman, engaged in the practice of law under the firm name of Bair, Freeman & Sinclair, registration No. 12,589, doing business at 803 Equitable Building, Des Moines, Iowa, with full power of substitution and revocation, to prosecute this application, to make alterations and amendments therein, to receive the certificate of registration, and to transact all business in the Patent Office connected therewith.

MIDWEST METAL STAMP-
ING COMPANY,

By ARTHUR C. HOLMDAHL,
President.
